

If you're reading this job posting, tired of working in facility handling 10-20 patients, are you're ready to make a change and get your work/life balance back. Then, you are ready to join a team of individuals with the same passion of caring for others. With us, you aren't a number. You're a valued member our Assisting Hands family. In fact, we are a Family Owned and Operated Home Care Agency looking for Caregivers who feel that caregiving is a calling in their life.

We'd love to tell you what we are all about and get to know you! Once you apply, you could be working within a week. We have plenty of shifts to keep you as busy as you want. Bring a co-worker or friend, too

WHAT WE OFFER:

- Immediate work with flexible scheduling?
- Full & Part Time positions
- Competitive Pay
- Referral Bonus opportunities
- Direct Deposit
- Great Company culture
- Caregiver Recognition & Appreciation Monthly
- Paid Online training
- Paid Background Check
- We try to match Caregivers with cases near your home
- Experienced Staff and supportive Director of Nursing (also an owner)
- AFLAC Insurance

REQUIREMENTS:

- **Must hold active Maryland CNA license or currently be an enrolled nursing student** (GNA License is optional)
- Team Player who shares our CORE Values of Compassion, Creativity, Kindness, Accountable, & Integrity
- Ability to pass background check - paid for by our agency
- Current CPR Certification
- Recent negative TB test or chest X-ray
- Personal & professional references

"I love working for Assisting Hands! I've been working here since June and it has been nothing but love! The Office Staff are very responsive and flexible, which I really need as a student. The clients are great! They are very personable and welcoming. This is my first home care experience, and I am so glad it is!"
-Veronica, Caregiver
