Custom Ink is also selling cloth masks in quantities of 12 or 120. You can order Custom Ink masks [here](#).

Potomac Valley Home Medical: Masks and Other Critical Medical Supplies

The local medical equipment company in Cumberland, MD has an interesting history and robust connection to international medical equipment supply chains. The company has accessed and offered to supply the Governor with the following list of COVID-19 response medical supplies:

- 2,000 surgical grade masks
- 4,550 KN-95 grade masks
- 10,000 medical grade gloves
- 1,000 hazmat suits
- 300 pairs of safety glasses
- 10 infrared forehead thermometers

- 10 PPE packages containing both a surgical and KN-95 mask, two pairs of nonlatex gloves, one hazmat suit, and one pair of safety glasses
- 300 nebulizers
- 40 O2 concentrators

PVHM is anticipating the delivery of another 15,000 surgical masks, 10,800 N95 masks, and 25,000 KN-95 within the coming weeks. The company is looking forward to working with the Governor and the State to gain much-needed access to medical grade safety equipment for purchase.
