

PARRAN COLLERY
FREDERICK MAIN STREET PUBLIC ART
PROJECT

Works in Progress

Original concepts

Building the forms

Fiberglass mesh surface,
ready for the mosaics

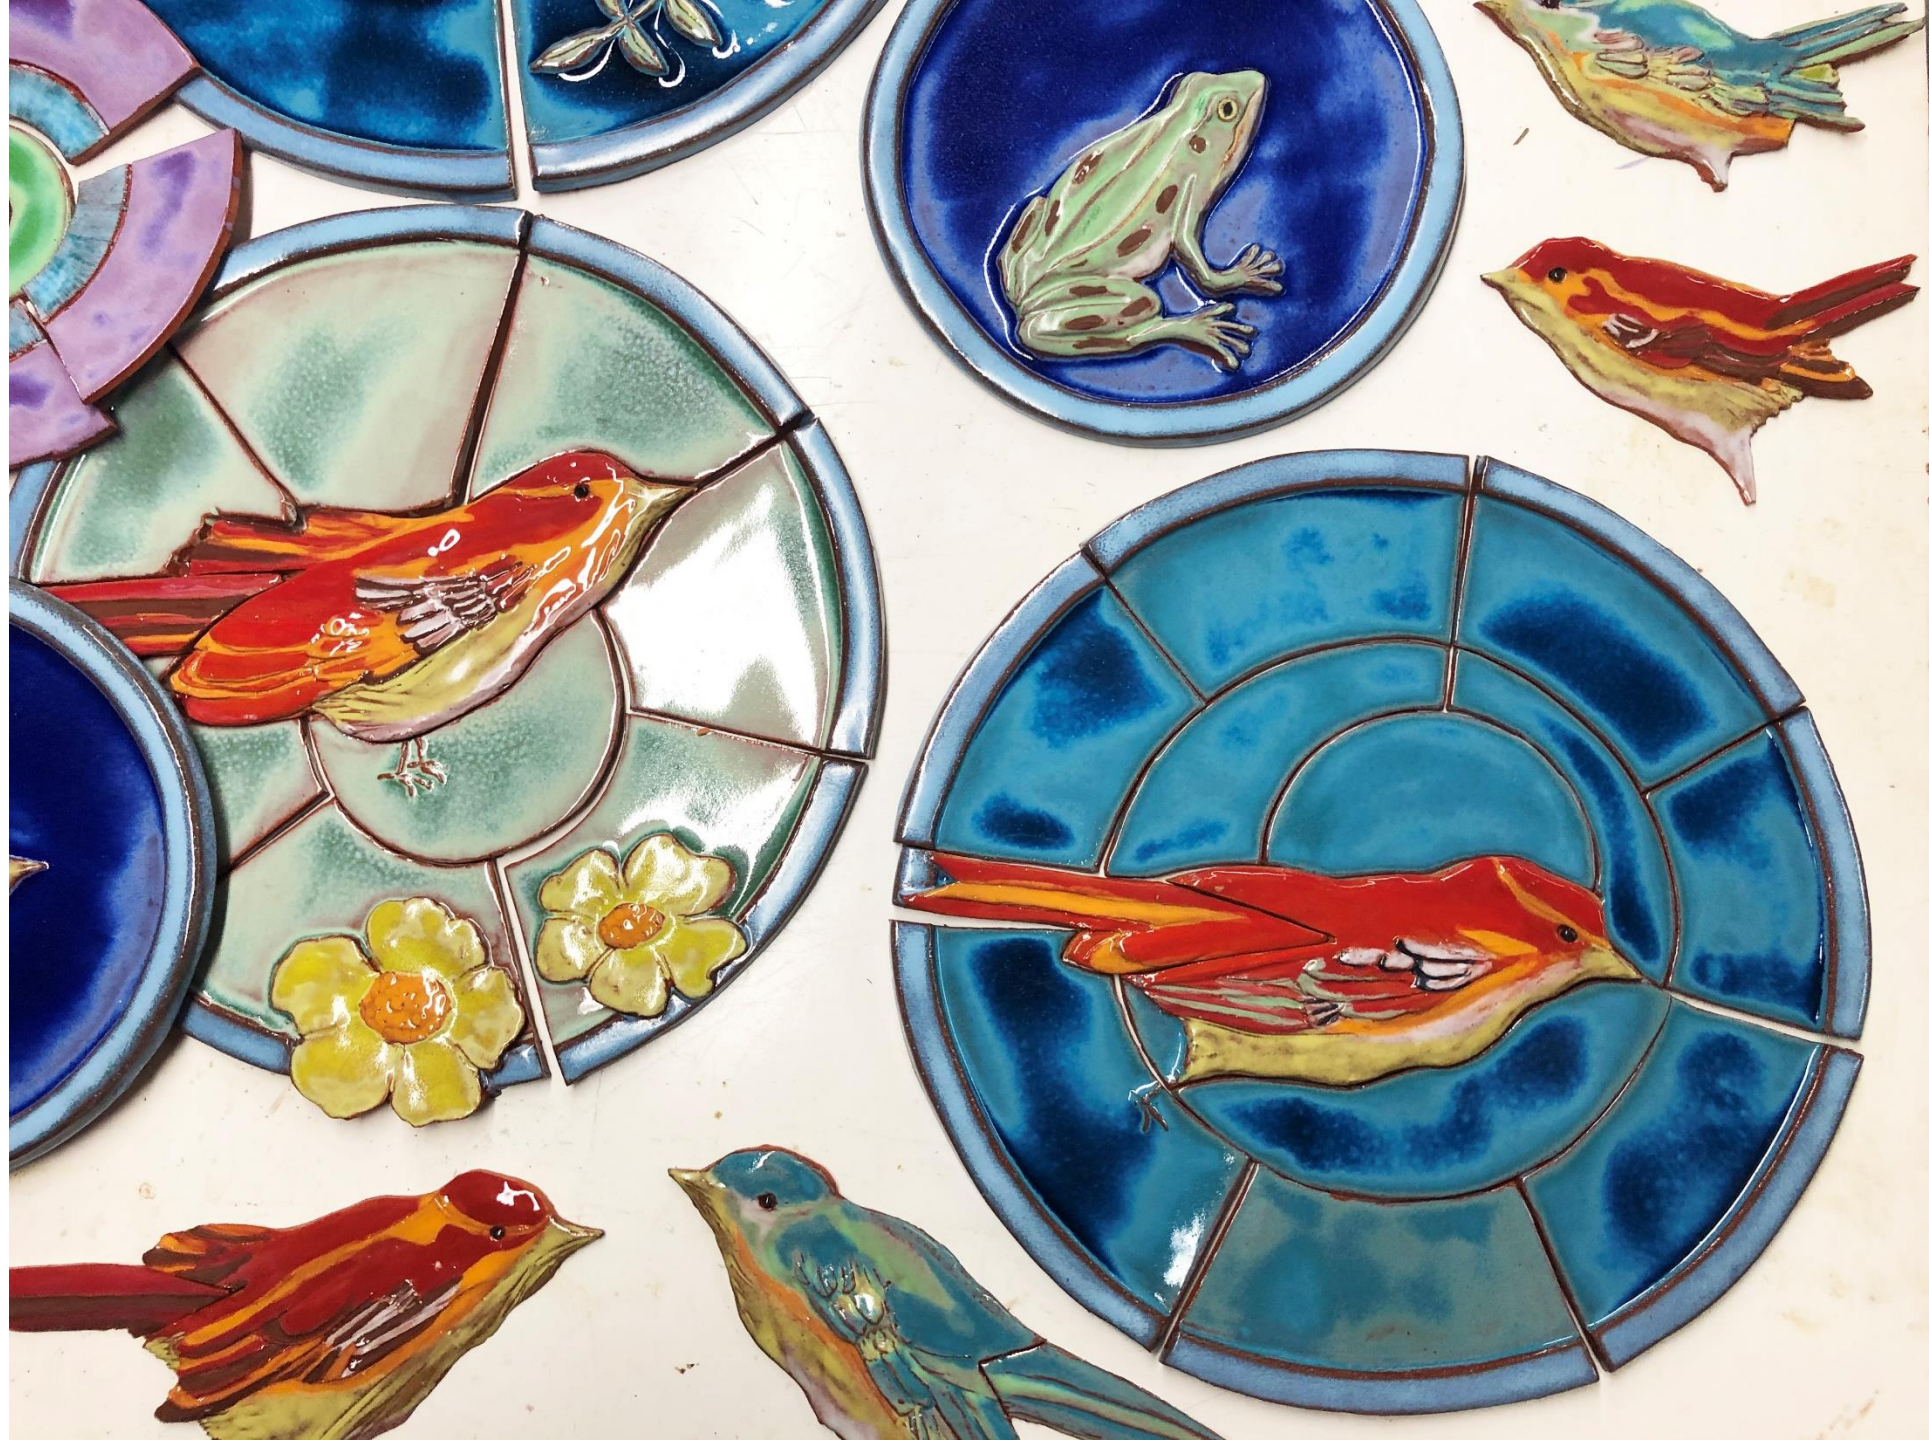

Wet clay sculpting

Out of the kiln, beautiful!

Next Steps:

- Workshops: community members make tile designs to be included in final sculptures
- Tiles are applied mosaic style to the forms and finished with cement grout
- Installation
- Unveiling / ribbon cutting
- Enjoy these exciting works of art!
