IN DOWNTOWN FREDERICK

In partnership with The City of Frederick and the Tourism Council of Frederick County, Downtown Frederick Partnership is testing a new holiday lighting technique in Downtown Frederick for the upcoming holiday season.

The new holiday lights will be installed in trees along Market and Patrick Streets in advance of the holiday season and will be unveiled at sundown during Frosty Friday, on November 29, 2019. The lights will remain lit in the trees through March 2020, when daylight saving begins.
